I hope it snows this week,
A snow flake on your cheek
Would make this Christmas so Beautiful
But that would just bring the pain
Cause things can't stay the same
These Holidays won't be wonderful

I look under the tree
But there's nothing to see
Cause it's a broken heart that you're giving me

I can't figure you out
Is this what Christmas is all about
Cause it's a broken heart that you're giving me

I don't wanna talk
I'm sick of all this talking
A broken heart wrapped up in a Box
There's tear drops in my stocking

I look under the tree
But there's nothing to see
Cause it's a broken heart that you're giving me

I can't figure you out
Is this what Christmas is all about
Cause it's a broken heart that you're giving me

I hate Christmas parties,
They offer me some punch,
But I just shrug
I hate Christmas parties
You and the cookie tray
Both hear me say bah humbug

Fah la la la la la?la la la la la la

I look under the tree
But there's nothing to see
Cause it's a broken heart that you're giving me

I can't figure you out
Is this what Christmas is all about
Cause it's a broken heart that you're giving me
