So it was Jeremy
In 1983
In his ocean pacific T
Who got a bloody knee
On his skateboard
In the half pipe
In the backyard
That Tuesday night

Chorus:

And I'm only gonna pierce my left ear
And I've been working on this mustache all summer
long
My favorite band will always be Tears for Fears
And I'm gonna wear a pink tux to the prom

Cutting class through the first floor window
He's driving fast cause he never did a thing slow
And I look up to my big bro
Cause in the 80's all the ladies grabbed his hand and
couldn't let go

Repeat chorus

Doo doo, a doo doo doo
Pink tux to the prom

I am gonna wear a pink tux to the prom
Live without a care
What could possibly go wrong?
When you're president of the breakfast club
And you're not hesitant to fall in love
To throw it away to fall in love with the 80's

I am gonna wear a pink tux to the prom
Live without a care
What could possibly go wrong?
Cause you threw it away to fall in love with the 80's

Doo doo, a doo doo doo (3x)
