Am I at the point of no improvement?
What are the deaths I still dwell in?
I try to excel but I feel no movement
Can I be free of this unreleasable sin
OOoOoOoO

CHORUS:

Never underestimate my Jesus
Your tellin me that there's no hope
I?m tellin you your wrong
Never underestimate my Jesus
When the world around you crumbles
He will be strong he will be strong

I throw up my hands
Oh the impossibilities
Frustrated and tired
Where do I go from here?
Now I?m searchin' for
The confidence I lost so willingly
Overcoming these obstacles
Is overcoming my fears
OOoOoOoO

CHORUS

I think I can't
I think I can't
But I think you can
I think you can
Gather my insufficiencies and
Place them in your hands
Place them in your hands
Place them in your hands.

CHORUS (2x)

You will be strong (3x)
