Poison Ivy,
In better condition than I'd be,
Hook me to an IV,
I whisper "why me"

In the Freezer,
Your words give me seizures,
And if we take a breather,
We'll break up and be hurt

I won't let you buy cigarettes,
But I'll let you by with regret,
One thing I'll find a sure bet,
A caged bird will fly if she's left,
And I'll try not to cry,
Your fingers dry my eyes,
A memory I'll never forget

I've been wronged,
With little defense,
And I'll sing a song,
Of inconsequence,
And my days,
With you are numbered,
And I'll be amazed if we see another

I won't let you buy cigarettes,
But I'll let you by with regret,
One thing I'll find a sure bet,
A caged bird will fly if she's left.
And I'll try not to cry,
Your fingers dry my eyes,
A memory I'll never forget

So,
Now you're gone,
We always said that would be the best thing,
Now,
I fear I'm wrong,
Or at least that's what my heart is confessing
Cause I miss you,

And I wish you,
Were someone I could forget,
Cause I miss you,
And I wish you,
Were not number one on my list,
List of regrets,
And now I'm broken up,
Because We've broken up,
It's all a big "what if"
What if I'd spoken up,
For what I wanted

Poison Ivy,
In better condition than I'd be,
Hook me to an IV,
And I whisper "why me"
