All the girls in the bathroom talkin
Who they're gonna take to the Sadie Hawkins
My ears are burning but I kept on walkin
A smile on my face and an air guitar rocking

Chorus:

The Sadie Hawkins Dance, in my kahki pants
There's nothin better, oh oh oh
Girls ask the guys
It's always a surprise
There's nothin better
Baby do you like my sweater?

Sitting in the back of my next class napping
Got up give a speech
And bowed to the clapping
Told a funny joke, got the whole class laughin
I think I got a tan in the light I was basking

Chorus

Scanned the cafeteria for some good seating
I found a good spot by the cheerleaders eating
The quarterback asked me if I'd like a beating
I said "that's one thing I won't be needing"

Since I'm rather smart and cunning
I took off down the next hall running
Only to get stopped by a girl so stunning
Only to get stopped by a girl so stunning

She said your smooth and good with talkin would ya go
with me to the Sadie Hawkins?

Chorus
