I've been really tryin , baby
Tryin to hold back these feelings for so long
And if you feel, like I feel baby
Come on, oh come on,

Let's get it on
Oh, lets get it on

We're all sensitive people
With so much to give, understand me baby
Since we got to be
Lets say, I love you

There's nothin wrong with me
Lovin you--- baby not now
And givin yourself to me can never be wrong
If the love is true

Don't you see how sweet and wonderful, life can be
I'm askin you baby, to get it on with me
And I aint gonna worry, I aint gonna push
I won't push you baby, no, no
So come on, come on, come on, come on baby
Stop beatin round the bush....

Oh come on, come on, come on, come on baby
Stop beatin round the bush....

Hey, let's get it on
Oh, let's get it on
You don't have to worry that it's wrong
If the feeling moves ya, let me grove ya
If you believe in love
Let's get it on
Let's get it on
Let's get it on
