I don't care how much you write
I'm not going back to Privet Drive
Spend the summer at The Burrow
With my girl
We're going lookin for trouble
We're gonna finish this, this time around
We're going lookin for trouble
We're gonna finish this once and for all
Don't go expecting answers
I'm taking Hedwig with me
And when they're ready
Ron and Hermione
We're going looking for trouble
We're gonna finish this once and for all
We're going looking for trouble
(Talking about you-know-who)
Gotta finish this, this time around
Though before we had our reasons
This time it's personal
You can pretend that you don't care
But know you cried
We're going looking for trouble
We're gonna finish this once and for all
We're going looking for trouble
(Talking about you-know-who)
Gotta finish this, this time around
(Do you have any leads on where the horcruxes are?
Cause I don't have a clue.
I don't know who R.A.B. is?
Do you?
Do you?)
We're going looking for trouble
We're gonna finish this, this time around
We're going looking for trouble
(Talking about you-know-who)
We gotta finish this once and for all
We're going looking for trouble
We gotta finish this, this time around
We're going looking for trouble
We gotta finish this once and for all
