You let him lock the invisible doors
You let him feed you like you were a parrot in a cage
You had to choose between the princess and the whore
And you're so happy now you're finally engaged
Yeah

Kill your boyfriend
We'll kill your boyfriend
Kill your boyfriend
So kill your boyfriend

Getting yourself tied up
Now you're bound to be in this for life
You think you're over the top
But just watch out for his hidden knife
You might have to

Kill your boyfriend
We'll kill your boyfriend
Kill your boyfriend
Yeah kill your boyfriend

Cooking dinner for two (your mothers recipe)
Holding hands watching Beverly Hills (90210)
And what the hell are you going to do
(he won't set you free)
The day he can't find no more thrill in you
Are you gonna

Kill your boyfriend
We'll kill your boyfriend
Kill your boyfriend
So kill your boyfriend

Kill your boyfriend
I said kill your boyfriend
I said kill your boyfriend
He's not
He's not innocent

Kill your boyfriend

Kill your boyfriend
Kill your boyfriend
Kill your boyfriend
