I would swim across the Atlantic
Just to hold you in my arms
It's not cool to be romantic
But with you I'll show my

Heart is beating non-stop
My legs are weak, I'm hoping that I don't drop
Heart is beating non-stop
My legs are weak, babygirl we can't stop now

I would run the trail of Oregon
Just to lock your eyes with mine
When I see your face
It's like a brand new start

My heart is beating non-stop
My legs are weak, I'm hoping that I don't drop
Heart is beating non-stop
My legs are week, baby-girl we can't stop now

Everybody loves you
Everybody needs you
Notice that I love you
Notice that I breathe

My heart is beating non-stop
My legs are weak, I'm hoping that I don't drop
Heart is beating non-stop
My legs are week, baby-girl we can't stop now
