I wanna be great, I wanna be strong  
I wanna be a warrior who fights with the passion of a  
love song  
I wanna be bold, I wanna be true  
I wanna have the courage to walk in the darkness, cuz  
I'm with you

Cuz I'm with You, every day  
And I'm with You, all of the way  
Oh I'm with You

I wanna be free, just like a wild dog  
I wanna the vision to see through the darkness, and all  
of the fog  
And I wanna run to my damsel's call  
And I am gonna love her the right way this time,  
wrinkles and all

Cuz I'm with You, every day  
And I'm with You, all of the way  
Oh I'm with You

Living in a world of darkness, I won't make it through  
Unless I'm with You

I gotta forget myself, show some love to someone else  
I am gonna sing a song that's true

Cuz I'm with You, every day  
And I'm with You, all of the way  
Oh I'm with You  
Oh I'm with You  
Oh I'm with You
