Old man's got a story of times that were so stormy
He said, "I don't know what to do, so I'll trust in you"
Take this taste from my tongue, I won't die no I'm too
young
But I can't live with this pain, Lord bring down that rain

Cuz better days are ahead, I can feel it in the air now
So cleanse my heart, clear my head
Allow for new love to begin now, ooh

Young man grabbed his Bible
And read that verse about trials
He knew he'd persevere through every last tear
Took joy in times so humble, his tired lips they
mumbled
I'll turn this wheat into gold, Lord, my heart take and
hold

Cuz better days are ahead, I can feel it in the air now
So cleanse my heart, clear my head
Allow for new love to begin now, ooh

Put my heart to rest now,
To know you'll bring what's best out
This world is out of my hands
Help me to trust in your plans
