Tell me you're an artist--is that what you call yourself?
Well I should leave right now and let you do it all
yourself
I've tried to help you, but you refused
I wanted to feel useful, you just made me feel used!
I can't control myself when I desire you
Do I have to bleed to inspire you?
Do you know how badly I require you?
Do I have to bleed? Do I have to bleed?

So what am I to you? You say that I'm your muse
But if I left right now, tell me what you think you'd lose
You get so busy, won't speak for days
This has gone on too long, this is not "just a phase"!

I can't control myself when I desire you
Do I have to bleed to inspire you?
Do you know how badly I require you?
Do I have to bleed? Do I have to bleed?

Drink your morning coffee, put your suit on
Just let me lie here, naked on your futon
Brush those memories off your molars
Spit last night down the drainpipe and start all over

I can't control myself when I desire you
Do I have to bleed to inspire you?
Do you know how badly I require you?
Do I have to bleed? Do I have to bleed?

Do I have to bleed?
(repeated three times)
