In her Sunday dress, she's dangerous
Everybody knows that she, she's the best
Out with the boys, she's in heaven making all the noise
Bartender please, another 7 and 7

Cocktails for Julia
One won't mean a thing
No

Careful boys, she'll drink anything you give her
As long, as long as you're liquor
Think she's good to go, so ready and able, you don't
know
She's on top, you're under the table

Cocktails for Julia
One won't mean a thing
Cocktails for Julia
One won't mean a thing

Buy her a drink
And she might make you think
That you're going to get lucky tonight
So you can try all your lines
But you're wasting your time
Because you know she's gonna be there all night

Oh, yeah!
