### "Needle"

This needle goes in again and again  
Changing what has always been  
Unveiling to all what lies inside  
Now I will no longer hide  
Anymore...  
This is what I want, this is what I gave it up for  
This is what I want, at any cost it must be lost  
Again  
This needle hurts me less and less  
Clearing me from ugliness  
Smooth and soft, electric  
Repeating with each warm pinprick  
I know...  
This is what I want, this is what I pay so much for  
This is what I want, at any cost it must be lost  
Again

I can feel the piercing in every way  
I can feel it leaving me day by day  
I want it all gone!  
Clearing me, revealing me, and cleansing me with  
pain...

I want it all gone!  
I want it all gone!  
I want it all gone!  
Clearing me, revealing me, and cleansing me with  
pain...
