We're steppin' out tonight
Gonna dish everyone in sight
Look at us, we're dressed to kill
And we probably will

Sunglasses and a wig at night
We only go to the nightclubs that are right, yeah!
We never pay for anything
Ciao baby, we've been seen!

Papa paparazzi
Come on daddy, take a picture of me
Papa paparazzi
Move over honey, that's my shot, yeah!

Give me that in a double dose
Look at me in my perfect pose
Living gods are what we are
Rulers of the bar

Did you see us in that magazine?
At the party we were simply being seen, yeah!
They all said that we looked so hot
We were there, you were not!

Papa paparazzi
Come on daddy, take a picture of me
Papa paparazzi
Move over honey, that's my shot, yeah!

Yeah, yeah, yeah! Yeah, yeah, yeah! Yeah, yeah, yeah!
I want to be famous Yeah, yeah, yeah! I want to be famous

I wanna be famous! For being famous!
I got to be famous for being infamous
I wanna be famous!
I wanna be famous for being famous, I wanna be famous
I got to be famous for being infamous, I gotta be famous!
