Oh what lies inside of you elevates me to the point of
fear
Crushed by all which you possess, I am about to
disappear
The way that you taste is strangely reminiscent of what
has gone before
In a reassuring way that makes me feel like I am a
whore

You said that you don't know what I see in you
But I can't make you see what I do
And I envy you, overflowing as you do

Realizing just what I am this glimmer of hope has just
been shorn
Strip away the soft inside, I'm ripped and shredded
and split and torn

You said that you don't know what I see in you
But I can't make you see what I do
And I envy you, overflowing as you do
And I envy you, overflowing as you do...

And I hate it that you make me feel...
I hate it that you make me feel...
I hate it that you make me feel...
