5:15

I'm changing trains

This little town

Let me down

This foreign rain

Brings me down

5:15

Train overdue

Angels have gone

No ticket

I'm jumping tracks

I'm changing time

CHORUS

We never talk anymore

Forever I will adore only you

5:15

All of my life

Angels have gone

I'm changing trains

Angels like them

Thin on the ground

All of my life

All legs and wings

Swings turn the eyes

5:15

Train overdue

Angels have gone

CHORUS

Cold station all of my life

Forever I fear
