Music and Lyrics by Bowie

Psychodelicate girl - come out to play
Little metal faced boy - don't stay away
He's so war torn and resigned - she can't talk anymore
What are they trying to prove - what are they hoping to find
It's love back to front and no sides - like I say
These pieces are broken - like I say
These pieces are broken
Hope I'm wrong but I know
Because you're young
You'll meet a stranger some night
Because you're young
What could be nicer for you
And it makes me sad
So I'll dance my life away
A million dreams
A million scars
He punishes hard - was loving her such a crime
She took back everything she said
Left him nearly out of his mind
They're people I know - people I love
They seem so unhappy - dead or alive
It's love back to front and no sides - like I say
These pieces are broken - like I say
These pieces are broken
Hope I'm wrong but I know
Because you're young
You'll meet a stranger some night
Because you're young
What could be nicer for you
And it makes me sad
So I'll dance my life away
A million dreams
A million scars
