{Chorus}

All clear wail the sirens  
Sunshine on the waste-land  
Old man sitting in the white sand  
Think we're in for a big surprise,  
right between the ey..es

Seemed a good idea  
to drop a bomb on the waste-land, yeah  
Only one man could be seen,  
and he was old and so serene  
Captain sat in his deck chair,  
and the red light flashed "beware"  
Pilot felt quite big-time  
as the bomb sailed through the air  
Well, they danced and sang  
when the bang went bang  
When the lights popped out  
and the smoke began to clear,  
it was positively queer!

{chorus}

"Die" said the General,  
"cobblers" said the man  
So the Pentagon sent a cable,  
and the Queen a telegram  
A-bombs, H-bombs, even very small ones  
ripped apart that sand  
'Til the stench was just revolting!,  
and the sky a green-ish tan  
But the soldier said "Sir,  
there's a crack in the world"  
And the figures went "squash",  
and the bits flew far and wide  
How the universe sighed!

{chorus}

{chorus}

When the smoke had blown away,  
there was nothing left to view  
Except a man, dear Lord!, he look like you  
Floating high,  
up in the sky.....y
