She'll come, she'll go. She'll lay belief on you  
Skin sweet with musky oil  
The lady from another grinning soul  
Cologne she'll wear. Silver and Americard  
She'll drive a beetle car  
And beat you at cool Canasta  
And when the clothes are strewn don't be afraid of the  
room  
Touch the fullness of her breast. Feel the love of her  
caress  
She will be your living end  
She'll come, she'll go. She'll lay belief on you  
But she won't stake her life on you  
How can life become her point of view  
And when the clothes are strewn don't be afraid of the  
room  
Touch the fullness of her breast. Feel the love of her  
caress  
She will be your living end
