Nothing on smoke today  
Nothing dies on the wing  
Wing's been losing time  
An anarchy born in pain  
Pain that comes and goes  
It goes against all you see  
You see I got Gables eyes  
And Eisenhower blames the poor  
The poor huddled on the curb  
Gotta get back in shape

We're backing up a major plan  
We're treading on ??? lights  
We're walking under golden sun  
We're living in a Planet of Dreams  
We're living in a Planet of Dreams  
We're living in a Planet of Dreams  
We're living in a Planet of Dreams  
We're living in a Planet of Dreams  
We're living in a Planet of Dreams
