Wish I was a sailor  
Crossing an azure sea  
Under leaden skies  
Under your eyes

But I can't see too far  
With these animal eyes  
Can't hold my breath  
Without your voice

And I'm danger-prone  
For I'll be bound  
I'll be as fast as hell  
Without your touch

And I'll run run run run run run run  
And I'll run run run run run  
Without your love

I'm a goldman  
In a soaring tower  
And it's cold in here  
Without your love

And there's trouble in here-trouble out there  
Mainline problems till you no longer care  
It's a long-low life-it's duty bound  
No hope-no life-no you-ah ha

And I run run run run run run run  
Yeah run run run run run  
Without your love

I duck the shots-and tilt the world  
I talk myself crazy-shoot the breeze  
Shout to live-shoot to kill  
Double up in pain-I'm on my knees

And I run run run run run run run I run run run run run  
run run
