President Joe once had a dream.
The world held his hand,gave their pledge
So he told them his scheme for a Saviour Machine
They called it the Prayer,its answer was law
Its logic stopped war,gave them food,
How they adored till it cried in its boredom,
'Please don't believe in me,please disagree with me
Life is too easy,a plague seems quite feasible now,
or maybe a war,or I may kill you all.
Don't let me stay,don't let me stay.
My logic says burn so send me away
Your minds are too green,I despise all I've seen
You can't stake your lives on a Saviour Machine
I need you flying,and I'll show that dying
Is living beyond reason,sacred dimension of time
I perceive every sign,I can steal every mind
Don't let me stay,don't let me stay.
My logic says burn so send me away
Your minds are too green,I despise all I've seen
You can't stake your lives on a Saviour Machine
