Though the idea of compassion
Is said to be
The union of Christ
And his bride, the Christian
It's all very puzzling

Sex and the church
Sex and the church
Sex and the church
and the church
and the church

All the great mystic religions
Put strong emphasis, on
Redeame this spiritual qualities
Of sex of sex

between the flesh and the spirit
It's sex and the church

And the joy's of the flesh
Of sex sex sex and the church
