Oogie waits for just another day  
Drags his bones to see the Yankees play  
Bones Boy talks and flickers gray  
Oh, they slip away

Once a time they nearly might have been  
Bones and Oogie on a silver screen  
No one knew what they could do  
Except for me and you  
They slip away  
They slip away

**CHORUS**

Don't forget to keep your head warm  
Twinkle twinkle Uncle Floyd  
Watching all the world and war torn  
How I wonder where you are

Sailing over Coney Island  
Twinkle twinkle Uncle Floyd  
We were dumb but you were fun, boy  
How I wonder where you are  
Oo-oo

Oogie knew there's never ever time  
Some of us will always stay behind  
Down in space it's always 1982  
The joke we always knew  
Oo-oo  
What's-a matter with you

C'mon, let's go Slip away Oo-oo **CHORUS**
