Stone love -- she kneels before the grave  
A brave son -- who gave his life to save the slogan  
That hovers 'tween the headstone and her eyes  
For they penetrate her grieving  
New love -- a boy and girl are talking  
New words -- that only they can share in  
New words -- a love so strong it tears their hearts  
To sleep -- through the fleeting hours of morning  
Love is careless in its choosing -- sweeping over cross  
a baby  
Love descends on those defenseless  
Idiot love will spark the fusion  
Inspirations have I none -- just to touch the flaming  
dove  
All I have is my love of love -- and love is not loving  
Soul love -- the priest that tastes the word and  
Told of love -- and how my God on high is  
All love -- though reaching up my loneliness evolves  
By the blindness that surrounds him
