pressure pushing down on me
pressing down on you no man ask for
under pressure---that burns a building down
splits a family in two
puts people on streets
it's the terror of knowing
what t
his world is about

watching some good friends
screaming 'let me out'
pray tomorrow---gets me higher
pressure on people---people on streets
chippin' around---kick my brains around the floor
these are the days
it never rains but it pours
people on streets---people on streets

it's the terror of knowing
what this world is about
watching some good friends
screaming 'let me out'
pray tomorrow---gets me higher

pressure on people---people on streets
turned away from it all like a blind man
sat on a fence but it don't work
keep coming up with love but it's so slashed and torn
why---why---why
LOVE
insanity laughs un
der pressure we're cracking
can't we give ourselves one more chance
why can't we give love that one more chance
why can't we give love, give love, give love, give love,
give love
'cause love's such an old fashioned word
an
d love dares you to care for
the people on the edge of the night
and love dares you to change our way of

caring about ourselves
this is our last dance
this is our last dance
this is ourselves
under pressure

under pressure
pressure.
