{Verse 1}

[White light] White light gonna drive me out of my
brain

[White light] White light gonna make me feel so insane

[White heat] White shapin' them down to my toes

[White light] White light's got a nana, goodness knows

{Verse 2}

[White light] White light gonna drive me out of my
mind

[White light] White light is surely gonna make me blind

[White heat] White shaping way down to my toes

[White light] White light could kill me now, goodness
knows

{Chorus}

Oh, Oh, White light

Oh, Oh, White light

Oh, Oh, White heat

Oh, Oh, White heat

{verse 1}

[White light] White light has got it now, goodness
knows

{verse 2}

{chorus}

{chorus}

White light's a-flashin'

White light

Don't feel sorry

What's that sound, what's that sound,

don't turn on, be deader alive

No feelin'

Here she comes

Oww, yeah

[Oh, oh, oh, oh] here she comes

[Oh, oh, oh, oh]

[Ah, ah, ah, ah]
