[Hey, it ain't over]
Me, I hope that I'm crazy
I feel you driving and you're only the wheel
Slow down, let some-one love you
Oww, I've never touched you since I started to feel
If there's nothing to hide me,
then you've never seen me hanging naked and wired
Somebody lied,
but I say it's hip
to be alive
{chorus}
Now your smile is spreading thin
Seems you're trying not to lose
Since I'm not supposed to grin
All you've got to do is win
[Oww, that's all ya gotta do]
[Oww, it ain't over]
Me, I'm fresh on your pages
Secret thinker, sometimes listening aloud
Life lies dumb on its' heroes
Wear your wound with honor, make someone proud
Someone like you
should not be allowed
to start any fires
{chorus}
[Oww, that's all ya gotta do]
[Oww, it ain't over]
{chorus}
[Oww, thats all ya gotta do]
[Oww] Got to do is win [it ain't over]
Well, your smile is spreading thin
[Oww, seek and believe in you]
Since you're trying not to lose
[Oww, it ain't over, no, no]
Since I'm not supposed to grin
[Oww, that's all ya gotta do]
All you've got to do is win
[Oww, it ain't over, no]
[Oww, seek and believe in you]
All you've got to do is win
[Oww, it ain't over, no, no]

Oww, all you've got!
Is all you've got
[It ain't over]
Min-no-va....
