"Within You"

by David Bowie in the movie "Labyrinth"

How you turned my world, you precious thing

You starve and near exhaust me

Everything I've done, I've done for you

I move the stars for no one

You've run so long

You've run so far

Your eyes can be so cruel

Just as I can be so cruel

Though I do believe in you

Yes I do

Live without the sunlight

Love without your heartbeat

I, I can't live within you

I can't live within you

(sigh)

I, I can't live within you
