Just the twinkling lights of heaven  
Two reflections on the sparkling water  
Hand in hand with love uh-huh

I love the cheap things that you say

You belong in rock n'roll  
You belong in rock n'roll  
You belong in rock n'roll

Well so do i  
I love how she moves me  
It makes me feel alright alright alright alright

I'm a hurt i'm a hurt I'm hurting  
I'm a man with a beat in my pocket  
I'm going down to the rhythm of love  
I love the bad luck that you bring

You belong in rock n'roll  
You belong in rock n'roll  
You belong in rock n'roll

Well so do i  
Alone on the mean streets  
It makes me feel on fire on fire on fire on fire . . .  
on fire on fire on fire on fire

I love the cheap street in your walk ah ha  
You belong in rock'n'roll  
You belong in rock'n'roll

Well so do i  
I love how she moves me  
It makes me feel alright alright alright alright . . .
