When you feel the dream is over
Feel the world is on your shoulders
And you've lost the strength to carry on

Even though the walls may crumble
And you find you always stumble through
Remember never to surrender to the dark

Cos if you turn another page
You will see that's not the way
The story has to end

-CHORUS-

If you need to find a way back
Feel your on the wrong track
Give it time
Learn To Fly
Tomorrow is a new day
You will find your own way
You'll be stronger with each day the you cry
Then you'll Learn To Fly

In your head so many questions
The truth is your possession
The answer lies within your heart

You will see the doors are open
If you only dare to hope and you
will find a way to fight the fears that kept you down

Cos if you turn another page
You will see that's not the way
The story has to end

-CHORUS-

If you need to find a way back
Feel your on the wrong track
Give it time
Learn To Fly
Tomorrow is a new day
You will find your own way

You'll be stronger with each day the you cry
Then you'll Learn To Fly

Looking at your situation
There so much that you can do
Now's the time to make your stand, Yeah!
This is just an observation
In the end its up to you
The futures in you hands

-CHORUS-

If you need to find a way back (find a way back)
Feel your on the wrong track
Give it time
Learn To Fly (Learn To Fly)
Tomorrow is a new day (Tomorrow is a new day)
You will find your own way
You'll be stronger with each day the you cry
Then you'll Learn To Fly

Ooohh...
Give it time
Then you'll Learn To Fly
