"Before We Say Goodbye"

Sometimes your heart
It feels so far away
Sometimes our lives are night and day
It always seems there's something out there better
Who knows?

CHORUS:

Before we say goodbye
Take a breath and think about it
You're the one who makes me feel
Ten stories high
I'll survive and stay alive and
Take a look down deep inside
Before we say goodbye

Sometimes my world
I feel it sweep away
I hear your name and I feel safe
Sometimes we dream of another life we're missing
But who knows?

REPEAT CHORUS

Before we say goodbye
Take a breath and think about it
You're the one who makes me feel
Ten stories high
I'll survive and stay alive and
But I need to know why
Before we say goodbye
