Alright

Take my time  
Checkin my style, wanderin nowhere  
Ahaa  
All this time  
Spinnin my head, pretendin I don't care  
But it's drivin me crazy

I don't know what to say  
I don't know what to do  
Baby I've been thinkin,  
That I should be with you  
Oh

[CHORUS]  
But if I fall, into your arms tonight  
Would you let me stay forever  
If I could fly, into your heart's desire  
If I could fall, let me fall with you

Mystified  
Feelin inside, makin my soul safe  
Ahh yeah  
Tongue gets tied  
This beat of my heart, whenever that phone rings  
And it's drivin me crazy

I don't care what they say  
I don't care what they do  
When all of this is over,  
Then I should be with you  
Yeah

[CHORUS]

Ohhhh  
Let me fall with you  
Ooo yeah  
Ohhhh  
Let me fall with you

You put my life in your hands  
With my heart on my sleeve  
As long as your beside me  
Love is all we need

Catch me when I fall  
We can have it all  
As long as we're together  
Won't you promise me...  
Catch me when I fall  
We can have it all  
As long as we're together

[CHORUS]

Ohhhh  
If I should fall  
Let me fall.... with you
