Look up baby now you know I can  
be the one to be your woman  
baby now you know I'd do  
anything in the world for you

to have the lovin in my baby's eyes  
yeah the lovin in my baby's eyes  
yeah the lovin in my baby's eyes  
the lovin in my baby's eyes

look up baby now you know damn well  
I love you better than another girl will  
love you baby now you know I'd do  
anything in the world for you

to have the lovin in my baby's eyes  
yeah the lovin in my baby's eyes  
yeah the lovin in my baby's eyes  
the lovin in my baby's eyes

late at night when I take my rest  
oh I hold your pictures to my breast  
love you baby now you know I'd do  
anything in the world for you

to have the lovin in my baby's eyes  
yeah the lovin in my baby's eyes  
yeah the lovin in my baby's eyes  
the lovin in my baby's eyes

love you baby, love you baby  
baby now you know I do  
love you baby, love you baby  
do anything for you

late at night when I take my rest  
oh I hold your pictures to my breast  
love you baby now you know I'd do  
anything in the world for you

to have the lovin in my baby's eyes

yeah the lovin in my baby's eyes  
see the magic in my baby's eyes  
the lovin in my baby's eyes

love you baby, love you baby  
baby now you know I do
