Tell me how the circle ends  
There's no beginning  
Everything that came before  
Will come round again  
And I look in the mirror  
My father's eyes look back at me  
He gave me a road to choose  
He gave me freedom  
And I pray I'm strong enough  
To walk in his shoes  
And I, I hope that I become  
Half the man he wants me to be

Cause I feel you guiding me  
Showing me the way when I'm misdirected  
I know your not here  
But I feel connected

Cause everything that I am  
Comes from a better man  
And all that I've said I've done  
Can't rewrite my history  
Right there for all to see  
I'm just my father's son  
Taught me to walk, now I run  
Now I run

Sometimes when I lose myself  
In my weakness  
I can feel the touch of his unmistakable hands  
And their pushing me forward  
Back into the circle again  
And I hope my son sees in me  
The kind of man that he was to me

And everything that I am  
Comes from a better man  
And all that I've said I've done  
Can't rewrite my history  
Right there for all to see  
I'm just my father's son

Taught me to walk, now I run  
I run

He's the best and the worst of me  
Sometimes I don't know where my common sense is  
I may be a sinner  
But my best defense is

Everything that I am  
Comes from a better man  
And all that I've said I've done  
Can't rewrite my history  
Right here for all to see  
I'm just my father's son  
Yeah oh  
I'm just my father's son  
Taught me to walk  
Now I run
