"So Excited"

The world was spinning.
Passing me by.
I was fooled by the desires of my mind.
So I went running. Out of control.
Ignoring all the things the good book told me.
But now I'm here to testify that
You never gave up on me

[chorus]
Im so excited
I've been seen by the love of god
Reunited'return'
No one no where'return'
Can tear me away from the love of god
So excited'return'
Where would I go?

I'm back back on the block
The lord restored renewed turned back the clock
From all of my chains
Ive been set free
the power of his love has rescued me
But now Im here to shout it out
You Never gave up on me'return

[chorus]
[bridge]
Ain't it amazing how he turns your life around'return'
there ain't no doubt about it I was lost but now im
found'return'

[chorus]
