"Realm Of Rain"

Misty shadows grips the heart

Souls reunite in order of chaos

[*] White knights guards the treasures of dreams

In the centre of the storm a man is to emerge

To find the pleasure beyond the lost horizon

Now hidden beyond a realm of rain

Entering the vein of black

Blood runs red in seas of sorrow

The sun burns grey in a cloudy sky

Confusion!

Many questions why?

It's time to leave this earthly palace

The crystal is stolen, as worlds collapse

Reality disappears, shaking in disgust

The crystal leads astray

A foul taste of truth

Blood runs red in the flow of forever

Springs of salt runs down the face

Left alone in silent disgrace

[*repeat]

As the leaves slowly falls to the ground

Forever captured spirits of life

The path is gone without a trace

Lost in a universe of deceit

But somewhere in the distant

(a light breaths its last sigh)
