Hey how are you doing anything no me too
Sometimes I wonder why I talk to you
Is it because you really want me to
You're the right side of attractive we're the wrong side
of proactive
You're kinda weird but despite that
You're my kind of weird and I like that

Baby you're so weird
You're my kind of weird
Positively strange
You're my kind of strange
Baby you're so weird
You're my kind of slightly messed up
A little bit deranged

So this is new out of my mind I like you
Said I'd write a song see if it's true
Not just because you really want me to
In my head I'm distracted
Our revenge we'll exact it
You're kinda weird but despite that
You're my kind of weird and I like that

Baby you're so weird
You're my kind of weird
Positively strange
You're my kind of strange
Baby you're so weird
You're my kind of slightly messed up
A little bit deranged (x2)

You're the right side of attractive
We're the wrong side of proactive
You're kinda weird but despite that
You're my kind of weird and I like that

She sends me x's in my texts
Calls me all the time
She says hey quite frequently
I wish you were mine

Baby you're so weird
You're my kind of weird
Positively strange
You're my kind of strange
Baby you're so weird
You're my kind of slightly messed up
A little bit deranged (x2)
