[B.G.]

When it comes down to stuntin', I pull it all  
When it comes down to G shit, I get it all  
When it come to pullin' hot girls, I pull 'em all  
When it come to rockin' ice, B.G. rock it all  
Sport diamonds like I tote a tech  
Baby tote a fo' nickel like he wrappin' gifts  
Try to stay cool so I don't melt the diamonds 'round my neck  
I keep bustas in suspense of what I'mma do next, gotta respect  
I ain't out to please a bitch  
She could get on her knees  
I'm tryin' to get rich  
I'm shined out, ten karats on my wrist  
Flyin' first class, me and my whole click, now  
Fuck a glass, we sip Dom P straight out the bottle  
Never I play, you know I'm 'bout murderin'  
You done crossed me, I done crossed you  
But understand a Hot Boy gotta floss too  
Look, I'm iced out

[Big Tymers]

1 - I rock ice (lil' daddy)  
Everytime I step  
I rock ice (lil' momma)  
Cuz I love the rep  
I rock ice (whole world)  
Cuz I'm doin' my thang  
I rock ice  
Bling bling, bling bling

[Turk]

My Rolex car shout, my chrome stay spinnin'  
Hot car with so much money, I don't know how to spend it  
Don't you wish you could be in my shoes just for a minute  
Carin' nothin' but faces, never point the ?

I started at nothin', look at me now, I'm iced out  
Police think I'm doin' wrong, but nope, I'm right now  
It's cuz I'm platinum that you ridin' my back  
Paper on everything I have, so how you love that  
They don't wanna see me ballin', wanna see me fallin'  
Got it locked down wit my baby ?  
I floss but get dirty too  
My Roley cost, try to take it and I'll murder you  
Ya say I stun
