hey live came to my rescue  
want some body to two time  
moning helped me find my way hom,  
darkness dance like the shallow rains  
i will never get a chance to learn from my mistakes

ohh ohh ohh  
starting all ova again  
oh ohh ohh starting all ova again

seasons come and seasons go,  
the circle turns the flowers grow.

ohh ohh ohh  
starting all ova again  
oh ohh ohh starting all ova again

and if ur whole world coems 2 and end  
starting all ove ohh

make the most of your time as if it is the last. ohhohh

seasons come and seasons go,  
we say goodbye and we say hello.
