"When Giants Fall"

Visit "[When Giants Fall](#)" on MotoLyrics.com

So you've got all the answers
Inside your perfect world
It's only time before you realize it's gone
And now your world is spinning
Stand by and watch it go
It's only time before you realize it's gone

It's a long way down from the top now
And it's so easy to forget when your safe

So does your money love you
Or will it leave you too
You better figure it out
Before it's too late
Cause

It's a long way down from the top now
And it's so easy to forget when your safe
