"Bomb"

"You know how we've always talked about the
possibility
Of something going wrong with the bomb"

Blame your government
Judge the innocent
Kill your president
Yeah, not a bad intent

Our minds are explosive
We are so corrosive
Today we will get the jump
Yeah, let's drop the bomb

We came to drop a bomb
Fucker, let's drop a bomb
We came to drop the bomb
Fucker, let's drop a bomb

"Is this gonna setup the doomsday machine?"

"The hydrogen bomb"

Blame the government
Judge the innocent
Kill your president
Yeah, not a bad intent

Our minds are explosive
We are so corrosive
Today we will get the jump
Yeah, let's drop the bomb

Dare to drop the bomb
