New York City waits  
I have to catch a plane  
And for the first time in my life  
I wish I could stay here  
With you I'm so alive  
That's just so hard to find  
But it's just a matter of time  
Til we will be erased

Chorus:

Why does it have to be one or the other  
I'll shoot for the stars, but I'll have to wonder  
Can you be replaced  
Will I wish I'd stayed  
Instead of saying goodbye  
And I almost wish for a lover I don't care about  
I don't want our story to end, no

I wish you could hold my hand  
Through everything and  
Be with me when I go off  
To travel the world

Repeat Chorus

Sometimes it's once in a lifetime  
Sometimes it's never at all  
I find myself falling in love with life, with you  
How do I choose

Repeat Chorus
