#### Chorus

If it wasn't for my Jesus  
I don't know where I'd be  
The power of the enemy  
Had a hold on me

If it wasn't for my Jesus  
Over and over again  
He reaches down  
Inside of me  
Takes away my sin

#### Verse

All of my life  
I've searched for solid ground  
Deep in my soul  
Peace could not be found  
My world was spinning  
Al I around and around  
Deeper in sin I thought  
I was bound

#### Verse

I once was lost  
But now I'm found  
He lifted my soul  
Put my feet on solid ground  
My world was lifted  
And my heart was set free  
The most Amazing happened to me

#### End Chorus

If it wasn't for my Jesus  
I don't where I'd be  
They crucified my Jesus  
He bleed and died for me  
I give Honor to my Jesus  
For saving me
