Chorus:

There is no way I can live without You,
There is no way I can go on.
Burdens are too much for me to bear;
There is no way I can live without You.

Verse:

I have tried to make it on my own,
But these burdens in my life,
They got a little too strong.

Right now I can say,
Without Christ in your life
There is no other way
(There is no way I can live without You).

Vamp:

I have tried over and over,
But there is no other way,
Is no other way,
Is no other way;
There is no way I can live without You
