Why is this delight

Excused as nothing?

Is this the vigor

A vast decay?

This ugly state

I shall not answer

This nausea

I delve to slain

This only takes one moment

Could you explain your meaning

This only takes one moment

My pleasure is your meaning

This majesty is no longer

A replica with no taste

May i admire

Your tinted cheek

This lobby of worth

I urge to keep

This only takes one moment

Could you explain your meaning

This only takes one moment

My pleasure is your meaning
