Sometimes I wonder. Torn between my heart
Tore between my heart and my mind?
And I feel my body to see if I??m in
If I'm in tune with what I find?
But I don't know how to feel?
And I don't know what to feel?
Anymore?

Anymore

Want to feed on this indecision?
To many things something??s different inside
I??m a boy who's so sick of searching?
Maybe there's a Heaven nearby?
So should I let these thoughts out ?
Or should I let you in ?
Its so easy to be alone?
Look within is, will I find home?
I just don??t know?
How to feel?

Feel?
How to feel?
How to feel?
Feel?

Feeling so afraid like I am stuck here?
Like I am stuck here and can??t move?
I like to watch the sunsets, letting in the warm colors?
The warmth, it blinds the truth?
But I don't know how to feel?
And I don??t know what to feel?
Anymore?

I keep on hurting myself?
Tearing off the skin I let it burn in the dirt.
Wanna unlearn what I've learned
Though it may be the truth, truth it hurts?
When we have something inside that no motherfucker
will touch?
No I won't think like you?

If I did what am I trying to prove?
I just don't know x4
I just don't know how to feel?
I just don't know what to feel?
Anymore
