Mr Loh singing

As I can see the ocean breaking
The ocean breaks on her self
It will remind me that all the shit I'm feeling
will soon be
will be alright
Its gonna be alright

Mr. Loh he finds the water
And it seems to wash this place off
As the dolphins jump and play

He speaks to us in the sand
Do you know the meaning of life
Or are you just a simple man
And then he swims away
Then he swims away

Mr. Loh will you speak to me
You're the only one I understand
Mr. Loh will you sing to me
You're the only one who makes sense

Mr. Loh's not afraid to be naked
But some men fall from grace
They're not secure with themselves

He doesn't measure people
By things we consider important
Can't seem to comprehend today
So he swims away
He swims away

Come back

Mr. Loh will you speak to me
You're the only one I understand
Mr. Loh will you sing to me
You're the only one who makes sense

*Mr Loh talking:
contact with nature, now thats very important
All in society is so busy, busy, busy, busy
Not much time
Talk to yourself or talk to the nature*

As long as I can see the ocean break on her self
As the dolphins jump and play
It will remind me, that all the shit I'm feeling
Will soon be alright

Mr. Loh will you speak to me
You're the only one I understand
Mr. Loh will you sing to me
You're the only one who makes sense

Oh Mr. Loh
Oh Mr. Loh
This is gonna be alright

Mr. Loh singing again
