[Hook: J. Soul]

I don't care if you getting money  
You can't touch this  
I'm the baddest brrr  
You can't touch this  
Probably living with your mama I don't need that drama  
But me I'm that girl trapped in Rewind's world  
I don't care if you getting money  
You can't touch this  
I'm the baddest brrr  
You can't touch this  
Saying the same lines to every other dime  
But me I'm that girl trapped in Rewind's world

[Verse 1]

Yea that's my girl, Trapped in Rewind's World  
You see ha with my shirt counting money like a clerk  
Call it clock work getting paid every second both hands  
I be that stack and she my rubber band  
Just know we tight, so bright the sun hide at night,  
frighten  
Pound for pound (ahhh) Mike Tyson  
Leave a scar on your face it aint a tattoo  
Stop monkey-ing around you baboon  
Lost one of your senses you can't touch  
Playing games you in trouble, you still can't touch  
No one gon help you  
Fucking with my queen that's a bad chess move  
I'm about to check execute  
Cut your arms off make you do a hand stand  
Eyes clicking you gon hear a big bang-bang  
Man of my words ya looking at the wrong dictionary  
Blueprint of ya death, make ya play your own pictionary

[Hook]

[Verse 2]

Short on time my watch like a midget, envelope I lick it,  
slave I whip it  
Fucked up my apple tree nothing but leaves  
Won't be able to breath knock down all of your teeth

The news, they mail it, I'm wavey, I sail it  
Make a sweater out of your flesh yes I'll kneed it  
Nigga you fried where you work at mcdonalds?  
Hook hit you hard and you bruising pronto  
Tooth fairy better pray you get a wish  
Cooking in the kitchen scaling off your fins  
You aint self-fish, you fish-made  
Calling shots you D-Wade?  
No need to de-lay always on that p-tra  
Penetration, Rewind's occupation  
Pussy niggas on their menstruation  
Barf on a track need some type of medication  
You feeling like the shit but me I'm sanitation
